

Remarks

As requested by the Notice of Non-Compliant Amendment, submitted herewith is the corrected Listing of Claims with the claims in corrected "ascending" order. The previous listing was complete, however, the cancelled claims were inadvertently grouped together instead of listed in "ascending numerical order." This has been corrected by the present amendment and consideration of all of the claims of record is respectfully requested.

As "Only the corrected section of the non-compliant amendment document," is attached, as requested in the Office Action of August 25, 2005, earlier amendment to the specification is assumed entered.

Respectfully submitted,

DILLER, RAMIK & WIGHT
